Adventure & Applique by Suzanne Marshall

Suzanne Marshall's quilts are both beautiful and inspiring. What I really liked was the inclusion of judges' comments, especially the ones pointing out things that could be done differently. It helps us understand what judges are looking for and what sets a show quilt apart from the ordinary, but beautiful quilts.

Suzanne Marshall's Books on Quilts

Suzanne shares her easy applique techniques as well as lots of tips on how to make your projects outstanding. Find out how travel has inspired many of Suzanne's quilts, and then read the judge's comments, both pro and con, for the quilts that have entered competitions.
