Part of the Penguin History of Britain series, An Imperial Possession is the first major narrative history of Roman Britain for a generation. David Mattingly draws on a wealth of new findings and knowledge to cut through the myths and misunderstandings that so commonly surround our beliefs about this period.

An Imperial Possession: Britain in the Roman Empire ...

Thence An Imperial Possession is about “identity, communities and regions” (xv), a case study of “the investigation of discrepant identities in the Roman empire” (xii; cf. 17), and a “book ... very much concerned with the experience of people in Britain under Roman rule and as such it is far more social history than political history” (5).

An Imperial Possession

The traditional view of Roman Britain is cast aside as a relic of our own imperial past experience, and the occupation reconstructed - almost literally - from the ground up with recent archaeology laid before the jury with a ruthless commonsense. He does this with a rational and reasonable argument, without recourse to passionate beliefs in wild theories.

Imperial Possession: 54 BC

Anything you want to know about Britain is in here as well as background about the Roman Empire, like Roman history, military and administrative structure. Britain itself is the focus though with each region getting its own section.
