I Can Herringbone: From Basic Stitch to Advanced ...

I CAN Herringbone teaches herringbone stitch in all its forms, guiding readers with the aid of hundreds of step-by-step illustrations. These 25 accessible, wearable, and beautiful projects--including earrings, necklaces, chokers, pendants, and bracelets--feature techniques ranging from the simplest version of the flat stitch to embellishment, tubular herringbone, and completely three-dimensional forms.

Amazon.com: Customer reviews: I Can Herringbone: From ...

The projects are lovely and the techniques included can be a stepping off point for the reader to create original beadwork of their own. A great reference book, a great project book, which includes a section of photos of high quality herringbone projects by the author and others.
