## **Download Shipper's Letter of Instruction Forms**

A Shipper's Letter of Instruction (SLI) serves a very important function. An exporter uses the form to convey transportation and documentation instructions to his or her agent, usually an international freight forwarder. In addition, the SLI typically provides a limited power of attorney to the forwarding agent for arranging transportation of the goods and, in some cases, filing the Electronic Export Information (EEI) to the Automated Export System (AES).
